

## 2009 SAFETY & STEWARDSHIP SEMINAR AGENDA

Nov. 5, 2009 at Holiday Inn – Wilsonville

**8:00 – 8:50 AM**

### **RODENT PEST MANAGEMENT STRATEGIES**

**Scott Harris, Bell Labs**

*Presentation of inspection, identification, harborage reduction, damage, biology, behavior, and control using IPM practices in relation to rodent pest management.*

**8:50 – 9:40 AM**

### **PESTICIDES & THE LAW**

**David Leonard, Churchill Leonard Lawyers, Salem, OR**

*Discussion of the legal consequences from failing to adhere to the rules and regulations governing pesticide use, the potential liability associated with pesticide application and the measures that may be taken to reduce that liability.*

**9:45 – 10:05 AM    BREAK**

**10:05 – 10:55 AM**

### **TOXICOLOGY & RISK ASSESSMENT**

**Jeff Jenkins, OSU, Environmental & Molecular Toxicology**

*Discussion of the basic principles of toxicology and key elements of pesticide human health risk assessment.*

**10:55 – 11:45 AM**

### **PESTICIDE GENERAL PERMIT- WATER QUALITY NPDES PERMIT**

**Beth Moore, Surface Water Management Program, Oregon DEQ**

*Summary of EPA's Final Rule on the application of pesticides directly to, over or near water—the 6th Circuit Court ruling and the NPDES–National Pollutant Discharge Elimination System Pesticide General Permit.*

**11:45 AM – 12:45 PM**

**LUNCH**

**12:55 – 1:45 PM**

### **OREGON PESTICIDE LAWS & REGULATIONS – CURRENT ISSUES**

**Janet Fults, Oregon Department of Agriculture**

Safety & Stewardship Seminar – Wilsonville  
Nov. 5, 2009

**1:45 – 2:55 PM**

**AVOIDING COMMON PESTICIDE STORAGE MISTAKES**

**Lori Cohen, Oregon OSHA**

*Problems resulting from the improper storage of pesticides transcend multiple State (and Federal) jurisdictions. Pesticide storage violations as a group are one of the most frequently violated areas in OR-OSHA's Pesticide Emphasis Program. This presentation will assist growers in understanding the reasoning behind the regulations and provide them with the tools necessary to conduct their own assessments of their facilities to determine their own opportunities for improvement," prior to an OR-OSHA inspection.*

**3:00 – 3:15 PM      BREAK**

**3:15 – 4:05 PM**

**PERSONAL PROTECTIVE EQUIPMENT – SELECTION & USE**

**Jim Casqueiro, Public Works Supply Company**

*Hands-on demonstrations of various types of PPE including eyewear, respirators, gloves, and clothing, plus discussion on proper use, maintenance, and storage of equipment.*

**4:05 – 5:00 PM**

**BACK TO BASICS**

**Roland Maynard, Oregon Department of Agriculture**

*Review of Federal and State rules and regulations, Worker Protection Standards, pesticide licensing, calibration, calculations, pesticide formulations, terminology, etc. —set up as interactive game.*
